We continue to be a community organization of concerned parents advocating the passage of a proposed millage question for the Bentonville School District. We continue to advocate for all district students. The proposed millage question to be on a ballot in June, 2012 is an increase that will raise approximately \$100,000,000 to fund the construction of a second high school, and improve/build other district-related buildings that hold transportation and warehousing facilities. In addition, a portion will be used to fund site improvements, operating funds, and upgrade technology for the entire district.
