Realistic Expectations and Affirmations for Life- REAL Conference

Put on by the YRCC and the Tobacco and Drug Free Coalition of NWA (came out of the community meeting you and I met at)

Saturday May 30th at the YRCC- goal to have 75 9th-12th grade students- cap will be 150

There will be three tracks- our program is a part of the "Lessons Learned" track

We are working with Kristen N. Jozkowski PhD (credentials below) to create one 50 minute workshop for 15-30 students

Assistant Professor of Community Health

University of Arkansas

Research Fellow, The Kinsey Institute for Research in Sex, Gender, & Reproduction

The workshop will be on health relationships and boundaries, particularly in intimate partner relationships.

The goal of the first meeting is to brainstorm as to how we combine the professor's research and supportive services into the workshop

Our contact is Chase Jones, Program Coordinator at the YRCC 479-444-3461
