COMMISSION

Dear Todd:

The ballot question organization Coalition for Neighborhood Libraries wishes to re-activate as we anticipate a possible library millage election in Sherwood on November 4, 2014. Our statement of organization is on file and the information on it is still correct.

You will recall that the Coalition for Neighborhood Libraries is the group that runs ballot issue questions related to library funding measures for the Central Arkansas Library System (CALs). The Sherwood Library is part of CALs. The Coalition goes on inactive status between elections and then re-activates whenever we have a library funding issue on a ballot.

We expect minimal expenses and donations for this campaign. I can be contacted at 320-5727 if you have questions. Thanks as always for your help on form reporting and keeping.

Sincerely,

Bob Razer, Treasurer  
Coalition for Neighborhood Libraries
