- (ii) Does not accept any contribution or cumulative contributions in excess of five thousand dollars (\$5,000) from any person in any calendar year; and
- (iii) Registers pursuant to Ark. Code Ann. § 7-6-215 prior to making contributions.

An approved political action committee shall not include an organized political party as defined in Ark. Code Ann. § 7-1-101, a county political party committee, the candidate's own campaign committee, an exploratory committee, or a ballot question committee or legislative question committee.

(b) Ballot Question – As used in these rules, the term “ballot question” means a question in the form of a statewide, county, municipal, or school district initiative or referendum which is submitted or intended to be submitted to a popular vote at an election, whether or not it qualifies for the ballot.

(c)(1) Ballot Question Committee – As used in these rules, the term “ballot question committee” means any person, located within or outside Arkansas, that receives contributions for the purpose of expressly advocating the qualification, disqualification, passage, or defeat of any ballot question, or any person, other than an elected official expending public funds,¹ or an individual, located within

¹ Ark. Code Ann. § 7-1-111 was established by Act 312 of 2013 and falls outside of the Arkansas Ethics Commission’s jurisdiction. Pursuant thereto, an “elected official” or “a person appointed to an elective office” is permitted to expend or permit the expenditure of public funds to support or oppose a ballot measure. However, Ark. Code Ann. § 7-1-111(b) provides that “[i]t is unlawful for a public servant or a governmental body to expend or permit the expenditure of public funds to support or oppose a ballot measure.” With regard to this prohibition, it is noted that the term “public funds” is defined to mean “funds, moneys, receivables, grants, investments, instruments, real or personal property, or other assets, liabilities, equities, revenues, receipts, or disbursements belonging to, held by, or passed through a governmental body[.]” In addition, the term “public servant” is defined to mean “an individual who is (i) Employed by a governmental body; (ii) Appointed to serve a governmental body; or (iii) Appointed to a governmental body.” That definition goes on to state that “‘Public servant’ does not include: (i) An elected official; or (ii) A person appointed to an elective office.” It is noted that Ark. Code Ann. § 7-1-111 does not limit the freedom of speech of a public servant or governmental body, including without limitation verbal expressions of views supporting or opposing a ballot measure; prohibit a governmental body from expressing an opinion on a ballot measure through the passage of a resolution or proclamation; prohibit the incidental use of state resources by a public servant, including without limitation travel costs, when speaking at an event in which a ballot measure is discussed if the subject matter of the speaking engagement is within the scope of the official duties and

or outside Arkansas, who makes expenditures for the purpose of expressly advocating the qualification, disqualification, passage, or defeat of any ballot question.

(2) A person other than an individual or an approved political action committee as defined in § 600(a) of these rules, located within or outside Arkansas, also qualifies as a ballot question committee if two percent (2%) or more of its annual revenues, operating expenses, or funds are used to make a contribution or contributions to another ballot question committee and if the contribution or contributions exceed ten thousand dollars (\$10,000) in value.

(d)(1) Contribution – As used in these rules, the term “contribution” means, whether direct or indirect, advances, deposits, transfers of funds, contracts, or obligations, whether or not legally enforceable, payments, gifts, subscriptions, assessments, payment for services, dues, advancements, forbearance, loans, pledges or promises of money or anything of value, whether or not legally enforceable, to a person receiving same for the purpose of expressly advocating the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question.

(2) “Contribution” includes the purchase of tickets for events, such as dinners, luncheons, rallies, and similar fundraising events, and the granting of discounts or rebates by television and radio stations and newspapers, not extended on an equal basis to all persons seeking to expressly advocate the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question.

(3) “Contribution” shall not include noncompensated, nonreimbursed volunteer personal services or travel.

(e) Contribution and Expenditure – As used in these rules, “contribution and expenditure” shall not include activities designed solely to encourage individuals to register to vote or to vote, or any communication by a bona fide church or religious denomination to its own members or adherents for the sole purpose of protecting the right to practice the religious tenets of the church or religious denomination, and “expenditure” shall not include one made for communication by a person strictly with the person’s paid members or shareholders.

(f) Disqualification of a Ballot Question – As used in these rules, “disqualification of a ballot question” means any action or process, legal or otherwise, which seeks to prevent a ballot question from being on the ballot at an election.

responsibilities of the public servant; or prohibit the dissemination of public information at a speaking engagement and the incidental use of state resources in the analysis and preparation of that public information if the subject matter of the public information is within the scope of the official duties and responsibilities of the public servant. Ark. Code Ann. § 7-1-111 provides that a violation of the prohibition contained therein is a Class A misdemeanor, with the exception that a public servant who is found guilty or pleads guilty or nolo contendere to such a violation is ineligible to hold any office, employment, or appointment in a governmental body and that if a public servant is found guilty or pleads guilty or nolo contendere to such a violation while employed by a governmental body, he or she shall be removed from employment immediately.

(g) Elected Official – As used in these rules, “elected official” means any person holding an elective office of any governmental body, whether elected or appointed to the office.

(h) Expenditure – As used in these rules, the term “expenditure” means a purchase, payment, distribution, gift, loan, or advance of money or anything of value, and a contract, promise, or agreement to make an expenditure, for goods, services, materials, or facilities for the purpose of expressly advocating the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question.

(i) Governmental Body – As used in these rules, the term “governmental body” means any office, department, commission, council, board, committee, legislative body, agency, or other establishment of the executive, judicial, or legislative branch of the state, municipality, county, school district, improvement district, or any political district or subdivision thereof.

(j) In-kind Contribution – As used in these rules, the term “in-kind contribution” means a contribution of goods, services, or any other thing of value, or its use, other than money and includes an agreement made or other obligation incurred, whether legally enforceable or not, to make such a contribution in the future. A person makes an “in-kind contribution” whenever, in conjunction with the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question, such person purchases, sells or leases an item, or provides a service to or on behalf of a ballot or legislative question committee without charge or for a charge which is less than the fair market value of the item or service provided. The difference between the fair market value and the charge shall be the value of the in-kind contribution.

(k) Legislative Question – As used in these rules, the term “legislative question” means a question in the form of a measure referred by the General Assembly, a quorum court, a municipality, or a school district to a popular vote at an election.

(l)(1) Legislative Question Committee – As used in these rules, the term “legislative question committee” means any person, located within or outside Arkansas, that receives contributions for the purpose of expressly advocating the passage or defeat of any legislative question or any person, other than an elected official expending public funds,² or an individual, located within or outside Arkansas, who makes expenditures for the purpose of expressly advocating the passage or defeat of any legislative question.

(2) A person other than an individual or an approved political action committee as defined in § 600(a) of these rules, located within or outside Arkansas, also qualifies as a legislative question committee if two percent (2%) or more of its annual revenues, operating expenses, or funds are used to make a contribution or contributions to another legislative question committee and if the contribution or contributions exceed ten thousand dollars (\$10,000) in value.

² See Footnote 1.

(m) Person – As used in these rules, the term “person” means any individual, business, proprietorship, firm, partnership, joint venture, syndicate, business trust, labor organization, company, corporation, association, committee, or any other organization or group of persons acting in concert. “Person” includes an elected official using public funds to expressly advocate the qualification, disqualification, passage, or defeat of any ballot question or the passage or defeat of any legislative question.

(n) Political Party – As used in these rules, the term “political party” means any group of voters which, at the last preceding general election, polled for its candidate for Governor in the state or nominees for presidential electors at least three percent (3%) of the entire vote cast for the office, or which has filed a petition with the Secretary of State containing at the time of filing the signatures of at least ten thousand (10,000) registered voters in the State of Arkansas, declaring the intention of organizing a political party, the name of which shall be stated in the declaration, and of participating in the next general election, and which has been declared a new political party by the Secretary of State. When any political party fails to obtain three percent (3%) of the total votes cast at an election for the office of Governor or nominees for presidential electors, it shall cease to be a political party.

(o) Prohibited Political Action Committee – As used in these rules, the term “prohibited political action committee” means any person who receives contributions from one (1) or more persons in order to make contributions to candidates, ballot question committees, legislative question committees, political parties, county political party committees, or other political action committees but who does not meet the requirements of an approved political action committee. A prohibited political action committee shall not include a political party as defined in Ark. Code Ann. § 7-1-101 or a political party that meets the requirements of Ark. Code Ann. § 7-7-205, the candidate's own campaign committee, a county political party committee, an exploratory committee, or a ballot or legislative question committee.

(p) Public Appointee – As used in these rules, the term “public appointee” means an individual who is appointed to a governmental body. It does not include an individual appointed to an elective office.

(q) Public Employee – As used in these rules, the term “public employee” means an individual who is employed by a governmental body or who is appointed to serve a governmental body. It does not include public officials or public appointees.

(r) Public Official – As used in these rules, the term “public official” means a legislator or any other person holding an elective office of any governmental body, whether elected or appointed to the office, and shall include such persons during the time period between the date they were elected and the date they took office.

(s) Public Servant – As used in these rules, the term “public servant” means all public officials, public employees, and public appointees.

(t) Qualification of a Ballot Question – As used in these rules, “qualification of a ballot question” means any action or process, legal or otherwise, through which a ballot question obtains certification to be on the ballot at an election.

§ 601 CONTRIBUTIONS AND EXPENDITURES – LIMITS

(a) No ballot question committee or legislative question committee shall accept any contribution in cash, meaning currency or coin, which exceeds one hundred dollars (\$100).

(b) No ballot question committee or legislative question committee shall accept any contribution from a prohibited political action committee as defined in § 600(o). It shall be unlawful for a prohibited political action committee as defined in § 600(o) to make a contribution to a ballot question committee or a legislative question committee.

(c) No ballot question committee, legislative question committee, or individual shall make an expenditure in cash which exceeds fifty dollars (\$50.00) in conjunction with expressly advocating the qualification, disqualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question.

(d) No contributions shall be made, directly or indirectly, by any person in a name other than the name by which the person is identified for legal purposes.

(e)(1) No person shall make an anonymous contribution totaling fifty dollars (\$50.00) or more to a ballot question committee or legislative question committee.

(2) Any such anonymous contribution actually received by any ballot question committee or legislative question committee shall be promptly paid by the recipient to the Arkansas Ethics Commission for deposit in the State Treasury as general revenues.

§ 602 CONTRIBUTIONS – DATE RECEIVED

A contribution to a ballot or legislative question committee shall be deemed to have been “received” or “accepted” when it has been delivered to a committee and not returned to the contributor within five (5) business days.

§ 603 IN-KIND CONTRIBUTIONS – REPORTING AND VALUE

(a) In addition to monetary contributions, committees are required to report the receipt of any “in-kind contributions,” as defined in § 600(j) of these rules.

(b) For reporting purposes, the value of an in-kind contribution shall be its fair market value if it had been purchased, sold or leased in the ordinary course of business. An in-kind contribution constitutes a contribution. Those transactions which are specifically excluded from the definition of "contribution" are likewise excluded from the definition of "in-kind contribution."

(c) A person making an in-kind contribution shall place the value on such contribution when given. The committee may question the value set by the donor if it appears unreasonable and shall revalue the in-kind contribution to a reasonable value. The value of an in-kind contribution is a factual determination which shall be made by the Arkansas Ethics Commission.

(d) The costs associated with any news story, commentary or editorial distributed in the ordinary course of business by a broadcasting station, newspaper or other periodical publication do not constitute an in-kind contribution.

§ 604 VOLUNTEER SERVICES – EXCEPTION TO IN-KIND CONTRIBUTION

(a) In addition to the other exceptions noted in these rules, the value of volunteer services provided without compensation do not constitute an in-kind contribution. Accordingly, an individual may volunteer any personal service provided he or she is not compensated for the service by any other individual or person. This applies both to manual tasks (*i.e.*, stuffing envelopes, answering telephones, etc.) and to specialized services (*i.e.*, services provided by musicians, accountants, etc.). Whether a contribution has occurred depends upon whether the work performed is considered "volunteer services." Whether time is spent on a volunteer basis depends upon whether the services are rendered during time that is the individual's own time to spend as he or she sees fit. If services are rendered after working hours, they will typically be viewed as exempted volunteer services.

(b) In accordance with subsection (a) above, certain professional services, such as legal and accounting services, which typically have fees associated with them, may be provided to a committee on a volunteer basis, provided the need for the services arises from the committee. For example, accounting or bookkeeping services involved with handling the committee's contributions and expenditures may be provided to a committee on a volunteer basis and will not count as an "in-kind" contribution even if no fees are charged.

§ 605 EXPENDITURES – DATE MADE

(a) The date of an expenditure is the date the amount is readily ascertainable by the person making the expenditure, except as provided in subsection (b) of this section.

(b) If, under normal business practices, the amount of an expenditure is not known or readily ascertainable until receipt of a periodic bill, the date of the expenditure is the date the bill is received. Examples of expenditures to which this subsection is applicable are expenditures for utilities and telephone bills.

(c) An expenditure by credit card or in other ways charged to an account must be included in the report for the period during which the charge was made, not in the report for the period during which the statement from the credit card company or charge account was received.

§ 606 STATEMENT OF ORGANIZATION

(a)(1)(A) A ballot question committee or a legislative question committee shall file a statement of organization with the Arkansas Ethics Commission within five (5) days of receiving contributions or making expenditures in excess of five hundred dollars (\$500) for the purpose of expressly advocating the qualification, passage, or defeat of a ballot question or the passage or defeat of a legislative question.

(B) The Arkansas Ethics Commission shall maintain the statement of organization until notified of the committee's dissolution.

(2) A ballot question committee or legislative question committee failing to file a statement of organization required by this section shall be subject to a late filing fee not exceeding fifty dollars (\$50.00) for each day the statement remains not filed.

(c) When any of the information required in a statement of organization is changed, an amendment shall be filed within ten (10) days to reflect the change, except that changes in individual membership may be filed when the next financial report is required. A committee failing to file a
